Fenplast

PVC / HYBRID

PRODUCTS TAILORED TO YOUR NEEDS

NEW

5 3/4" PVC frame

6 3/4" hybrid frame

PVC

Its sleek, elegant design, with a distinctive feature, complements both contemporary and traditional homes.

The Premia PVC collection is designed to meet the specific needs of new constructions and renovations.

HYBRID

With its modern lines, the Premia hybrid window is perfectly suited to the contemporary home architecture.

This collection has been designed to offer a solution to those seeking the ideal compromise between the energy efficiency of PVC and the strength of aluminum.

Also available in PVC or hybrid panoramic window for maximum light.

PREMIA PRODUCTS MEET THE INDUSTRY'S HIGHEST ENERGY PERFORMANCE STANDARDS.

NOVOCLIMAT 2.0
ENERGY STAR® 5.0
